The Negotiations team met with the district today.

- We have agreed to a calendar for the 2015-16 academic year for classroom teachers, Adult Ed and Pre-School, which needs to be ratified by our membership.
- The evaluation document for Nurses was discussed, and we look forward to finalizing that document at our next session. In line with that, we have discussed the formatting of the Counselor Evaluation document and adding a Professional Growth Plan similar to the documents used for evaluation of Instructional Employees.
- We received the district's counter to our requests for salary and class size language. The team presented our rejoinder and await the district's response on March 13th.

Respectfully submitted,

The Negotiations Team
