MPUSD and MBTA have agreed and ratified the calendars for the 2013-14 and 2014-15 school years.

At the table today there was agreement to extend, for one year, the Memorandum of Understanding (MOU) regarding the Middle School 8-period day in order to allow for further data collection and assessment of the schedule.

There was also discussion of the **Workday** article to strengthen the language for meetings outside the contract day, **Recognition** of the psychologists as members of the bargaining unit, **Transfer and Reassignment** to allow for some flexibility in voluntary and involuntary rights, and **Evaluations** to allow Professional Growth Plans to be used with our Probationary members. Further discussion of the items will be brought back at the next session on February 28, 2013 and nothing has been decided on these items at this time.
