Contract negotiations have begun for the 2014-2015 academic year. We have had our first meeting and have scheduled three meetings for the first semester.

During the summer we did finalize items from the 2013-2014 school year.

- signed off on the revised certificated evaluations
- signed a 3 year contract (2013-2016)

Both of these items are available on our website or the MPUSD HR website.

At the table we continued the discussion regarding Adult Education and the evaluation document for Speech Pathologists, as well as finalized the language for an MOU for a Special Education PLC calendar.

We are currently working on our Sunshine Proposal for the current school year and it will be submitted for Board of Education approval.

Respectfully Submitted,
